

### **Science**

Materials - States of matter  
Children will find out about the properties of the three different states of matter: solid, liquid & gas. Learn how to use thermometers. Set up enquiries about matter changing from one state to another.

### **PSHCE (Wellbeing)**

Children will identify personal gifts and talents.

### **5w2w (5 ways to wellbeing)**

'Same love different families'

### **History**

Children will take a journey through British history and discover how crime and punishment has changed throughout the ages. Beginning with the Romans and travelling right through to the present day.

### **Geography**

Children will name and locate counties and cities of the U.K and identify their physical characteristics, land use and how these have changed over time.

### **Art**

This term we will be sketching, recording detailed pencil drawing from observations.

### **Literacy**

Biographies, recounts and diaries.  
These genres of writing will be based around the history theme. Children will research the lives of famous people and write about their lives. Children will participate in whole-class discussions. Use talk to explore ideas, topics or issues. Set their own challenges to extend achievement and experience in writing.

### **Numeracy**

Numicon Milestone 1

Children will focus on understanding place value, read, write, order and compare numbers to at least 1,000,000 and determine the value of each digit. Number bonds, Recall addition and subtraction facts for each number up to 20. Find pairs with sum of 100; derive multiples of 50 with a sum of 1000. Add / subtract any pair of 2-digit numbers, including crossing 100. Find difference by counting up through next multiple of 10, 100, 1000. Partition into HTU and add most significant digits first.

### **Computing**

Children will design, write and debug programs. They will solve problems, use logical reasoning to explain how simple algorithms work to detect and correct errors in programs.

### **PE**

Dance classes with Junior Jam.  
One Goal - Team games.

### **Music**

The music service will be working with us to deliver the music curriculum.

### **RE**

We shall be looking at the books of the Bible, types of writing and their purpose & why the Bible is important.

### **Design Technology**

Children will construct miniature theatre sets. Planning and designing, improving designs.

### **MFL Spanish**

Speaking and listening skills.  
Explore Spanish language with conversational skills.
