

Science

Our Project this half term is 'Let's Experiment'. So our focus throughout science this term will be on how to plan and carry out experiments. Making careful observations, measurements, accurate result taking and translating this into a selection of graphs. Making a conclusion from the findings.

PSHCE (Wellbeing)

Where are we?

To be able to devise a class charter, understand how laws are made, know ways of saving energy and developing an awareness of climate change.

5w2w (5 ways to wellbeing)

Different Families - Same Love

Geography

Describe and understand key aspects of physical geography main focus on the water cycle.

Art

Sketch booking 'An Artist'
Looking at artists Picasso and Peter Blake.

Literacy

Elm (Yr 4/5) Curriculum Plan
Autumn 1
'Let's Experiment'

Numeracy

Number:

Numbers and the number system - Looking at place value, ordering and comparing numbers, working with numbers up to a million, exploring equivalent fractions and understanding decimals.

Calculating - Adding and subtracting fluently, understanding inverse relationships and strategies for bridging when adding and subtracting.

Pattern and algebra - Sequences and number patterns.

Geometry:

Comparing and classifying 2-D shapes, lines of symmetry in 2-D shapes, identifying 3-D shapes. Also looking at properties of shape and distinguishing between regular and irregular shapes.

Computing

Design, write and debug programs.
Using sequences, selection and repetition in programs. Working with variables and various forms of input and output.
Use logical reasoning to explain how some simple algorithms work and to detect and correct errors.

PE

One Goal will be delivering our PE lessons.

Music

The music service will be delivering out music lessons this $\frac{1}{2}$ term.

RE: Jewish Family Life -

People and the land focusing on special places, occasions, stories, symbols and Pesach.

Design Technology

We will be focusing on food technology this half term specifically food we eat at breakfast.

MFL (French)

Develop an understanding of French words and phrases.
Looking at conversations.
Appreciating songs and rhymes to help with our understanding.
