

Science

In Science we will be looking at Animals including humans. We will be exploring our senses and finding out how we use our bodies for different purposes. We will also be looking at animal bodies and comparing them to our own.

PSHCE (Wellbeing)

We will be writing a class charter and finding out how working together as a team can help us achieve our goals.

5w2w (5 ways to wellbeing)

We will be exploring different family models and talking about what makes our families unique.

History

In History we will be learning about the influential nurses Florence Nightingale, Mary Seacole and Edith Cavell. We will explore what makes a person significant and compare the lives and work of these nurses and considers how these individuals have influenced nursing today. We will also be writing stories influenced by what we have found out.

Literacy

This term we will be reading stories with repeating patterns, learning nursery and traditional rhymes and writing labels, lists, signs posters.

In Phonics, we will be learning lots of new sounds and we will be learning the letter names. We will also be reading lots of new books and sharing them with our friends.

Willow Class Y1 Curriculum Plan Autumn 1 'Healthy Me'

Numeracy

Year 1 children will be starting by getting to know the Numicon equipment.

They will be building their own patterns and be starting to compare and order a range of different patterns.

They will also be exploring teen numbers and starting to look at adding sentences using concrete objects and pictorial representations.

Computing

In Computing we will be looking at the different uses of technology which are available at home and in school. We will also be looking at how we can stay safe on the internet.

PE

In PE we will be working with the EdStart team. We will be learning about how to work as a team and playing lots of team games to practise our new skills.

RE

In RE we will be learning about Christianity. We will be looking at different Bible stories and finding out why they are important to Christians.

Design Technology

In DT we will be looking at breads and cereals; planning, making and evaluating our own healthy meals.

MFL

In French we will be listening to different words and phrases and we be practising saying them correctly. We will also be playing lots of games to help us.
