

Science

The children will be looking at seasonal changes and we will be going on an autumn walk!

PSHCE (Wellbeing)

This term our topic is be friendly, be wise! We will be learning about bullying, stranger danger and household medicines.

5w2w (5 ways to wellbeing)

This term our focus is Take Notice! We will be finding out how making friends and taking notice of different detail can make us all happy.

Geography

We will be learning about the world by starting with our own environment. We will be exploring the school grounds, using maps and we will also visit places in our local area.

Art

This term we will be focusing on artists and craft makers in Ancient Egypt. We will be using clay and paints to imitate the methods the artists used.

We will be using pastels and chalks to make firework pictures and we will be designing and making our own Christmas cards to bring home.

Literacy

This term we will be reading various stories including Joseph & the Technicolour Dreamcoat. We will be writing short stories and setting descriptions. We will also be reading lots of poems and writing some of our own based on different celebrations and important events.

Phonics will continue to be a big focus and we will be working hard to learn lots of new sounds and spellings.

Numeracy

This term we will be continuing to work with Numicon and there will be a big focus on multiplication and division.

In *Geometry*, we will continue to look at 2D and 3D shapes and their properties. We will also be looking at repeating patterns and symmetry.

In our Project Maths sessions, we will be exploring non-standard measurements.

Computing

This term we will be introducing the children to coding using the Scratch Jr software. Children will learn how to sequence short sets of instructions.

PE

The Ed Start team will be working with us again this term. We will also be taking Karate lessons on a Thursday.

Music

This term we will be focusing on singing songs for celebrations. We will be learning lots of songs for the school Christmas play.

RE

We will be looking at how Christmas is celebrated around the world. We will also be looking at the Christmas story and Jesus' early life.

Design Technology

This half term we will continue to look at what makes a healthy breakfast. We will also plan, make and evaluate our own breakfasts.

MFL

This term we will be learning and using vocabulary related to different celebrations. We will also be looking at how Christmas is celebrated in France and other French speaking countries.
