

Science

This term we will be exploring the uses of everyday materials. We will be learning about how and why we use different materials for different jobs.

PSHCE (Wellbeing)

This term our focus is 'Live Long Live Strong'.

5w2w (5 ways to wellbeing)

Be Active! We will be learning about how exercise keeps us healthy and how it effects our bodies and minds.

Geography

We are going to be learning how to use a map and how to sketching our own. We will also be learning how to use an atlas to find the famous bridges.

Art

We will be, sketching, colouring and painting our own pictures to plan our sculptures of famous bridges. We will be using, sand, cotton buds and various paper to create different textures.

Literacy

This term we will be reading various stories to helps us write our own fairy tales!

We will be writing character descriptions and we will use our senses to describe the settings in the story.

We will also be writing instructions and learning how to including our feelings in our own poems.

Willow Y1 Curriculum Plan Spring 1 'Let's Build Bridges'

Numeracy

This term we will be starting to investigate fractions. We will be cuttings foods into halves and quarters and then learning how to write fractions as numbers. We will be continuing to use Numicon to enhance our learning and we will be starting to learn how to record our work in different ways.

In *Geometry*, we will be learning about different units of measurement. We will have lots of opportunity to measure different things.

Computing

We will be using SimpleDraw to create characters and program them to move. We will also be using recorded sound to make our characters speak.

PE

This term we will continue to look at different ways to move with the Ed Start team.

Music

We are using Cheranga us to deliver the music curriculum. We are focusing on

RE

This term we will be reading special stories that help us understand the value of different religious books.

Design Technology

Over the Spring term we will be learning about what makes a healthy lunch. We will also be looking at how vegetables can be cooked differently.
