Fire Drill

We held our termly Fire Drill this week and all children exited the building quickly and quietly allowing for everyone to be accounted for in a very short period of time. Well done everyone. From time to time we also have a "Lock Down Drill" this is where no one is allowed in or out of the building due to a threat of wild dogs, chemical pollution, smoke etc. During this time the phones will not be answered, nor will the door.

Homework Project

A reminder that the homework project of "Do all the Good You can" by 'Making a Difference to somebody's Christmas' is due in on the 14th December.

Littleborough Lions

Mr Walthall and Mr Moran attended a presentation evening hosted by the Littleborough Lions at the Conservative club, last week, to say thank you for the donation we received in summer to pay for the bowls, spoons etc for the 'Breakfast for All' initiative. At this event we received another donation to help continue to pay for the cereal.

New Cloakroom Areas

Children in Maple and Elm class have had new cloakroom cupboards installed this week. These bespoke, purpose built cupboards allow the children to store their coats and PE kits in the classroom. These new storage areas are not designed for large bags, rucksacks or satchels to be stored and as such means children should have their PE kit in drawstring bags and books in school book bags, no other bags should be brought to school. School book bags are available to buy from school for £5.50.

Children's Society Christingle

The children have brought home a letter from Father Ian about the Children's Society Christingle Service. Children who are unable to attend the service on Christmas Eve may bring their Christingle Candles back to school to take up to church on Tuesday, 18th December for our Carol Service.
