

### **Science**

This term we will be learning about animals including humans. We will be labelling our body parts and discovering how our senses helps us explore the world around us. We will also be looking at animal bodies and learning about what we eat.

### **PSHCE (Wellbeing)**

This term we will be getting to know each other and writing a set of class rules.

### **5w2w (5 ways to wellbeing)**

Different families same love! We will explore how all our families look different.

### **Project**

This term we will be learning about the First World War and Remembrance Day. We will be finding out about Walter Tull by looking at primary sources and taking part in speaking and listening activities. We will also be learning about animals and finding out the part that women played in the war. We will be finding out why and how Remembrance day is marked.

### **English**

This term we will start by looking at stories with repeating patterns. We will begin to learn how to compose and publish our own stories as well as developing our story reading skills. We will also be reading and writing stories in a familiar setting and starting to use capital letters and full stops independently.

**Willow Y1 Curriculum Plan  
Autumn 1 'We are Britain'**

### **Maths**

This term we will be learning about numbers to 20 and making them in different ways. We will be using the Numicon to support our learning and finding out about number bonds.

We will make amounts using different equipment and compare them using mathematical language.

In Shape we will be looking at the properties of 2D and 3D shapes.

### **Computing**

This term we will be learning about using a laptop and word processing. We will be learning to use a keyboard, how to save our work, how to undo and redo and how to select and format text.

### **PE**

This term we will be learning how to use gymnastic apparatus safely. We will learn how to travel safely in different ways and how to move in different directions. We will also be using our bodies to make shapes.

### **RE**

This term we will be learning about God and Creation. We will also learn about belonging to special community and how we can care for each other.

### **Design Technology**

This term we will be planning, designing and evaluating our own felt bunting.

### **MFL**

This term we will learn French greetings and how to say our names.
