

Science (Understanding the World)

This term we will be learning about seasonal changes with a focus on Autumn and Winter. We will be learning about how to measure different types of weather and observing seasonal changes in nature and wildlife.

PSHCE (Personal, Social and Emotional Development)

This term we are learning how to keep ourselves safe around medicines and who to ask for help.

5w2w (5 ways to wellbeing)

This term we will be 'Connecting' with ourselves, each other, the church and the wider school community.

Geography (Understanding the World)

This term we will be exploring our local area by making observations and recording our findings. We will be using maps and fieldwork to find out about the area that we live in and we will be visiting different places.

Design and Technology (Expressive Arts and Design)

This term we will be planning, designing and evaluating our own felt bunting.

Literacy

This term we will be continuing to learn new sounds and we will start blending them into words. We will also be practising our letter formation.

We will be reading stories with rhymes and patterns and learning how to write our own. We will start to use capital letters for our names and we will also be using our writing skills to write postcards.

Reception/Y1 Curriculum Plan Autumn 2 'Where?'

Numeracy

This term we will be counting objects around the classroom and in the school grounds. We will also be counting objects that can't be moved and singing counting rhymes and songs.

We will be matching numerals to quantities and starting to order numerals to 10 and 20.

We will be comparing objects that are different lengths and using mathematical language to describe them.

We will also be naming and describing 3D shapes and using construction materials to apply our knowledge.

Computing (Understanding the World)

This term we will be learning about using a laptop and word processing. We will be learning to use a keyboard and how to save our work.

PE (Moving and Handling)

This term we will be continuing to work with the EdStart team. We will be learning how to follow instructions and how to take part in team games. We will also be having a weekly Karate session.

RE (Understanding the World)

This term we will be learning about giving gifts and being thankful. We will also be learning about the Nativity story.

Art (Expressive Arts and Design)

This term we will be choosing, mixing and using our own colours to create different pieces of art work. We will be exploring the work of six different abstract artists.

MFL

This term we will be learning French vocabulary for colours and numbers. We will also be looking at how Christmas is celebrated in France.
