Friday 18th June 2021 Updates

Please Read the covid-19 update as the virus is continuing to spread and case numbers are rising.

Before and After School club

As we try to prepare for September we are asking parents to complete a short survey about before and after school club.

Uniform

Uniform orders were sent home last week. Due to the current situation we may only have limited stock in September so please ensure you have ordered your child's uniform in time. (We have extended the ordering time until Monday 21st June).

Although we have been accommodating of uniform this year and allowed black pumps or on occasions plain black trainers. From September we will expect all pupils to be in full uniform with school shoes. Any child wearing ear rings must ensure they are plain stud ear rings and can remove them for PE otherwise parents must come to school to remove them and they will not be able to wear them on PE days.

COVID-19

The latest advice is that should anyone in a bubble test positive for COVID-19 we will not only have to isolate the whole bubble for 10 days but **ALSO** ask everyone in that bubble to go for a full PCR test (not just a lateral flow test). Negative test results will not mean isolation can end straight away but may help to further reduce the spread of the virus.

The new variant, a variant of concern, is spreading in the North West, please continue to be careful and socially distance whenever possible. Masks should be worn on the school grounds by all adults unless medically exempt.

Remember if you or anyone in your household have any of the symptoms of COVID-19, book a PCR test online or by calling 119 and remain at home. Please inform school.

As always we are here to support all our families in any way we can, if you need any support please email
