## COVID-19

Despite some information in the media around a return to normality we are being asked to ensure our COVID secure measures remain in place and we plan for September with many measures still in place. As yet we do not know which of these measures schools will be asked to continue but we will share this information with you as soon as we receive it.

**Remember if you or anyone in your household have any of the symptoms of COVID-19, book a PCR test online or by calling 119 and remain at home. Please inform school.**

As always we are here to support all our families in any way we can, if you need any support please email [earlyhelp@stansfieldhall.rochdale.sch.uk](mailto:earlyhelp@stansfieldhall.rochdale.sch.uk)

## Friday 25<sup>th</sup> June 2021

### Before and After School Club

Thank you to everyone who completed the Before and After School Club survey, as ever we have had a range of responses and will be compiling those over the next week to formulate the plan for September. We hope to share this with you next week.

### Transition

Due to the increased COVID risk, the **Year 6 to Year 7 Transition Days at High Schools have been cancelled**. Some schools have already written to children and families inviting the children to the day so will now be contacting them to inform them that Public Health have made the difficult decision to cancel them.

This also means we will not be able to invite **our new reception children** and their families into school before the start of term. We will be writing to them to ask them to join us for a special **Zoom meeting** before the end of term.

### HOLWAC

On **Thursday, 8<sup>th</sup> July, Elm and Birch Class** will be going to Hollingworth Lake Activity Centre for the day to take part in water activities. The classes will be working in separate bubbles and further details and permission slips will be sent home soon.

### Creativity Boxes

Tonight all pupils have been sent home with a creativity box ready for the summer holidays to enjoy craft activities at home. Please email or message our school Facebook page or tweet with your child's creations over the summer.

### Music Lessons

Forms have gone home tonight to sign up for music lessons for September. Please return completed forms by **Friday 2<sup>nd</sup> July**.
