## Theatre Trip

The Children had a fantastic time at the Palace Theatre in Manchester on Wednesday watching *Beauty and the Beast*. We were one of only two schools in the theatre and the only school seated in the Circle surrounded by the public. We had many comments from many of the members of the public about how well behaved the children were during the show and how proud the staff must be of the school. Well done Maple, Elm and Birch Classes.

## School lunches

We are aware that since Mrs Taylor left our school lunches have not been of the usual excellent standard. We have worked with Facilities Management and hope that we have now rectified this and are working hard to ensure they maintain the excellent quality we are used to. We are still having one or two supply chain problems where menus may have to change but hopefully the quality of the meals is back to where we expect.
