The Summer Production is back

On Tuesday, 12th July we intend to hold our Key Stage 2 production in the afternoon and evening. This is the first time we will have any performances in school for over 2 years and will be doing it differently this year. We are looking for a commitment from the children to stay **after school for 2 nights a week on a Wednesday and Thursday** (initially until 4pm but staying later as we get closer to the show). We will send out a separate letter with further details next week but children in Maple, Elm and Birch class are all invited to take part either in the main cast or as part of the chorus.
