Counting on Coffee

It was lovely to see so many families attend our maths themed coffee morning today in school. The children loved having the chance to share their maths activities with families (as well as a drink and a biscuit which always goes down well).

We look forward to seeing you in school for our Christmas Productions over the coming weeks.

Christmas Productions

It may only be November but we have started rehearsals for the Christmas productions.

Willow Class - 9th pm and 12th am

As part of our Christmas Productions we would also like to run a Christmas Raffle. We are asking for donations to make up a Christmas Hamper of Christmas crackers, Christmas tableware, Christmas food and treats. Please send any donations in by the 2nd December.

Stansfield Hall

"Celebrating the uniqueness of God's creations in educating the whole child and supporting the wider family so that everyone can achieve their very best in life."

This half term we have started looking at the Christian Value of Service. This week we looked at the service of others and the recognition they sometimes gain. Father Ian talked about the OBE and we made reference to other awards that have been given by the Queen, will be given by the King such as MBE, BEM and knighthoods. We also talked about the service given in school by our teachers, governors and parents who help in so many ways.
