Sad News

We reported the sad news on Monday of Mr Callaghan's passing over this half term. This has been a shock to all at Stansfield Hall and we have been supporting staff and pupils as we all deal with such things in our own way. Some externalise grief and some internalise their feelings as we come to terms with our varied emotions. We believe his funeral will be held on Wednesday and we will be taking time out during the teaching day to pause and reflect at this time.

World Book Day

Yesterday, the children celebrated world book day with a visit from Story Magic who performed two different shows. One for lower school, one for upper school called Read to Achieve - The Magic of Stories. The children have taken home their book day tokens.

Parents' Evening

It was lovely to see so many parents at parents' evening last night to discuss how well their children are doing at school. If you were unable to attend, please arrange time after school one day to catch up with your child's class teacher.

Curriculum Grids

Curriculum grids have been sent home tonight detailing our project "At the Seaside" for this half term.

Playground Equipment

The new playground equipment has proved a great hit with the children. They have been very sensible and shown great maturity in organising their own queues and taking turns on the equipment. All the staff are very proud of the children demonstrating their very best behaviour at playtimes and lunchtimes when using the equipment. Well done everyone!!

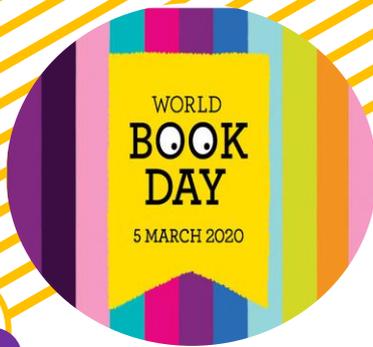

Sport Relief

Friday 13th is Sport Relief! We are asking all children and staff to wear sportswear for the day and bring £1 to support the charity. We will be having a range of sporting activities during the day as well.

Weekly Attendance:

Willow: 97.86% Sycamore: 91.57% Maple: 95.56% Elm: 97.70% Birch: 97.22%
